**5 REGISTRATIONS**

**5.1 Team Registration**

**i. The Initial Team Registration**

Each affiliated club shall, on or before a date set by the Association each year, give to the Association, notice in writing listing the number of teams to play and the divisions. This information will be added to the current season Registry.

The Association requires each Club on or before a date set by the Association each year to commit where possible to register a minimum of 8 players in each grade except A Grade unless otherwise stipulated in these rules and special age specific requirements. The Association appreciates that from time to time there might be

extraordinary circumstances preventing the club from registering in accordance with this requirement and the Club may make a special request to the Association in writing setting out in detail the extraordinary circumstances and the Board of Management will thereafter consider the request.

Following receipt of particulars of teams proposed to be entered by the clubs, the Association shall admit or refuse admission to such teams into competition for the season, and may determine in which grades of the competitions such teams shall play. The Association may, in its discretion, arrange trial matches to assist it in arriving at decisions in this matter

**ii. Late Submission of Teams**

The Association may, at its discretion, permit the entry of teams after the date above.

**iii. Cancellation of Acceptance of Teams**

The Association may, at its discretion, cancel the acceptance into competition fixtures of any team at any time, because of insufficient numbers of players available to the teams, for non-payment of subscriptions or fees or for any other reason deemed to be sufficient. The Club will be notified, in writing, of any such reason.

**iv. Registration of Players**

The Associations Database will be the sole record for a player, supporter, member and Sponsor registrations and will for the purposes of these rules contain the complete Register of Players.

**Individual Players**

- (a) All players playing in an identified CHA competition full field hockey are to be registered financially through the national database in use at the time.
- (b) All other membership is to be registered in accordance with Board of Management directions.
- (c) Subject to any other rules to the contrary, a player must be turning 14 years of age in the current year to be eligible to play Senior Hockey Division in Cairns
- (d) The Association shall charge a registration fee to be advised to Clubs by the Board of Management a reasonable time prior to the season beginning. The Association Registration fee may be collected by the clubs

on behalf of the Association and shall pay to the Association as directed.  
All payment transactions are to be recorded in the Association Database.

- (e) On receipt of the directed payments in (d) above, the player's registration will be accepted
- (f) The player is free to choose any club to register for a team provided the necessary clearances are completed if transferring from another club.
- (g) Any player can only be registered to play for one club in any one year with the exception of players who have registered in Master's Division with one club and registered C Grade with another club. There are no other exceptions.
- (h) The player will be responsible for payment of the club component of the fees to the chosen club.
- (i) Should the Association be advised by any Hockey Australia affiliate that there are outstanding fees, the player named must pay all outstanding fees incurred prior to the current season, in addition to the current fees, before a registration will be accepted
- (j) All transaction fees and/or dishonour fees imposed by financial institutions will be the responsibility of the player

**v. Refusal of Applications**

The Association shall have the right to refuse registration to any player for any reason it deems sufficient provided that the reason is given for the refusal.

**vi. Clearances**

- (a) Any player who has played for another club in the previous three (3) seasons in the Cairns Competition, or any other Australian Hockey Association affiliate, will need to provide a clearance from their former club.
- (b) Any player listed by their former club as un-financial from the previous three (3) seasons will not obtain a clearance until these matters have been resolved and the Association receives confirmation in writing.
- (c) Statutory Declaration- In lieu of a clearance, a statutory declaration signed by the player and witnessed, shall be acceptable. The declaration shall state the name of the last club played for and that the player has no obligation to the club. A copy shall then be forwarded by the record secretary to the previous club. If the previous club disputes the information on the declaration, the player shall be suspended until the dispute is resolved.

**vii. Visiting Players**

The Association has authorized a special class "visiting players". This class is outlined in the fee structure and are for "bona fide visitors." A player may play up to 5 games if registering under this category but only after registration has been paid and received by the Association. No clearances are required but these players cannot already be a registered member of the Association.

Any Player wishing to play more than 5 games will need to pay usual Association fees unless they obtain special exemption from the Association. Special exemptions can be on terms and conditions set by Board of Management.

To be eligible to play semi finals and finals a player who registers as a visitor must play a minimum of 12 games (including visitor games) in their registered grade. Normal Cairns Hockey Association rules for eligibility for finals apply to any other grade in which they participate.

**viii. Dual Registered Players**

Any player who wishes to play in the Association competition under a dual registration arrangement, must be currently registered with Hockey Queensland (including payment of the full player insurance cover). They will be required to pay the Association component before receiving approval to play and may be required to furnish proof of full financial membership to the primary association. The player may be required to pay a club component at the time of registration.

Board of Management may from time to time and upon request in writing, change any dual registration requirements believed to be in the best interests to the Association.

**ix. Unregistered Players**

No club shall allow to play in any teams in any competition fixture, any player who is not registered for the club in the team concerned or play a player from another grade who by the rules of the Association, is not eligible to compete in that grade. The offending team will forfeit three (3) points and the offending Club may incur a fine or penalty as directed by the Board of Management.

**x. Unregistered Players without Clearance**

When the Association detects a breach of these rules, the club concerned shall be notified that the player is suspended until the player is registered or clearance received.

**xi. Transfer of Players Between Clubs**

No player shall transfer from one club to another without a CLEARANCE from the first-mentioned club. Provided however, that if the Association shall be satisfied that such REFUSAL is unreasonably or arbitrarily withheld, it may approve of the transfer in the absence of consent from the first-mentioned club.

**xii. Special Circumstances**

In special circumstances, the Association may on application, grant permission of any player to play in any grade at any time.

A club must apply by giving reasonable notice in writing (usually not less than 5 days) to the Board of Management. Such notice must be delivered to the Operations Manager.

On receiving such an application, the Board of Management shall meet to consider whether to grant the request by the club. The Board of Management shall have the power to grant the request if-

- (k) The Board of Management considering the request consists of no less than 4 members;
- (l) At least 3 members of the Board of Management vote in favour of the request.

**xiii. Team Uniforms**

Each affiliated club will be required to register their club colours with the Association and make application to the Association for their consent to change any part thereof. The Association and the Clubs are committed to supporting a culture within the Association that shows respect, pride and strong community values. Respecting the official club uniform is of paramount consideration and unless a player has permission not to be playing in full official club uniform, all players (with the exception of a goalkeeper) will be expected to comply. Clubs and Teams may incur penalties for non-compliance.

- (i) At the conclusion of ordinary time for Semi-finals and Preliminary Finals, should the scores be tied, an extra five minutes each way will be played. If the result is still a drawn game, the team leading on points in the competition will be declared the winner. Should both teams be equally placed, the goal difference will decide which team is to be declared the winner to advance to the final. Should the goal difference be of equal value, the team with the highest total number of goals scored will advance to the final. Normal rules will apply during periods of extra time.

**(f) Drawn full time Game in Grand Finals -**

For A, B and S1 grades two periods of five minutes will be played with the first team scoring being declared the winner. Golden goal. If tied at the end of the two periods a penalty shoot-out format will commence to determine the winner.

For Masters, C Grade, S2, S3, S4 and P5-6 two periods of 5 mins will be played out. The winner will be the team with the most goals at the end of the two periods. If tied at the end of the two periods a penalty shoot-out format will commence to determine the winner. P5 6 will not continue to penalty shot outs the team on top of the ladder will be declared the winner.

The Penalty Shoot-Out format:

- (i) The format of the shoot-out is alternate one-on-one challenges between a player and the opposing goalkeeper.
- (ii) Five (5) players and a goal keeper from each team must be nominated for the penalty shoot-out prior to the shoot-out commencing. A toss of a coin will decide which team goes first and the one-on-one challenges will be taken alternately and in the order as nominated.

- (iii) The field of play for the shoot-out is defined in an area bounded by the side line and the back -line up to the 22-metre mark.
- (iv) All players other than the 5 designated players involved in the shootout and the goalkeeper must remain in an area past the half way line and must not in any way influence the shootout
- (v) Officials designated to the shootout will advise the players involved in the shootout where to stand on the pitch.
- (vi) The rules in the force in the game of hockey as authorized by the Association shall be played in the shootout.
- (vii) If the score is still level after the 5 shoot-outs, each team will continue to alternately take one-on-one challenges on a sudden-death basis.
- (viii) In shoot outs for A, B & S1 grade a penalty stroke will be awarded against a goalkeeper committing any infringements.
  - a. Penalty stroke may be taken by ANY member of the 5-designated shoot out players or the goalkeeper.
- (ix) In shoot outs for Masters, C Grade, S2, S3, S4 if the goalkeeper commits any infringement than a goal will be awarded
- (x) If a fowl is committed by the attacking player the challenge ends and no goal awarded.
- (xi) Each shoot-out begins at the 22m line and the ball is brought into the circle for scoring. The player with the ball has 8 seconds to put the ball into goal. The player with the ball may take more than one shot at goal. However, once the ball goes out of the field of play or the 8 seconds expires, the challenge ceases.
- (xii) If a player including the goalkeeper has committed a fowl within the 8 seconds – the umpire can still award the appropriate penalty after the 8 seconds has expired.
- (xiii) The challenge shall be under the control of the two field umpires and the technical officials.
- (xiv) The time keeping umpire shall be positioned centre field on the 22m line with his back to the play.
- (xv) The “scoring” umpire shall be responsible for the awarding of a goal or infringement. The Technical Official shall ensure that each challenge is made consistent with the previously advised list.

**(g) Eligibility to play Finals rounds**

- (i) The player must be fully financial with the Association

- (ii) A player who has played six round games, by the end of the round games or a date set by the Association, in the grade they have participated in is eligible to play in finals round (including the semi-finals) in those grades only.
- (iii) A player who first registered as a visitor and chooses to be registered as a full player must have played 12 round games (including any visitor games) in their registered Grade to be eligible to play in finals. Normal Cairns Hockey Association eligibility for finals rules apply to any other grade in which they participate.
